

# GROUND-BREAKING

## At the Huapai Hub

**SATURDAY 25 NOVEMBER, 9am-12pm**

The Huapai Hub is a happening thing! We are calling out for you to get “hands-on” in the first on site work session of ground-breaking. This is the start of restoring the car park behind the Arts Centre and Library into something beautiful.

Jobs include breaking up concrete, painting stencil flowers and painting #KumeuRocks

Come wearing old clothes, closed in shoes and ready to roll your sleeves up or unleash your inner creative. This is an event for all the family.

To kick this off in style, we will have live local music and a free sausage sizzle to thank all helpers.

#### Schedule of the day:

9am: Blessing and ceremonial ground-breaking followed by shared kai (tea/coffee and muffins)

9.45am – 11.15am: Action Stations (weeding, cleaning, clearing, making art, painting stones)

11.15 -12.00pm: Sausage sizzle and ice-blocks

A full safety briefing and high vis-vests will be provided.
